Summary of Written Inquires

- Q1. Where do I acquire the form or who do I speak to about a "Negotiated Indirect Cost Rate Agreement"? After reviewing my administration tabs in GEMS, I found that document was missing.
- A1. To obtain a copy of an approved Federal Indirect Cost Rate Agreement, please contact the Federal Government.

- Q2. What is a "Subsidiary Parent Letter" and where do I go to learn more about this document? I reviewed the GEMS manual for both questions, and it states the definition in the index, but it does not give any additional information.
- A2. Please refer to Section 3.01 Eligibility of the RFP for additional information regarding the non-profit subsidiary requirement.

- Q3. On questions 2 & 3 of the application, do I mark "complete" without signing the attached documents although I am not a tribal or government agency or do I leave them blank?
- A3. Yes.
