

# Action Plan Template

*Instructions:* Use this template to tell us more about your proposed activities. Note, you may propose more than one strategy for a particular goal but sections A, B and C should be completed for *each* strategy selected. Applicants may propose one or more objectives for each strategy.

**Category A applicants only:** You must select **Goal 4** and identify the priority population you propose to serve. Action plans will be evaluated to determine how well proposed strategies, objectives and activities reflect needs of the identified population.
